Possible diversity-related interview questions:

1. Can you give an example of when you had to exercise your leadership skills to help resolve a conflict between two colleagues or two subordinates from different backgrounds? Give an example of the same involving two students from different backgrounds.

2. In your experience in the corporate sector have you had the opportunity to work with a business whose leadership or focus was on a culture or community that was different from your own?

3. Do you have business contacts from diverse communities and how would you connect them to the Carlson School?

4. How would your vision for the Career Center be aligned with the University’s commitment to equity and diversity?

5. As the face of the Career Center, what measures will you take to ensure you create a “face” that is welcoming to students from all backgrounds?
